#### **Registration Fee and Play Levels:**

\*\* Age is determined based on the players age as of December 31st, 2017

- \*\* Example: The "U" before the age means under. So U10 means 10 and under. For example, if your child is 9 as of 12/31/2017 they would play in the U10 division. If your child is 8 as of 12/31/2017 but turns 9 in January they would play in the instructional U8 division unless they petition to move up a division.
  - **Instructional (U8)** \$65.00
  - Minor Division (U10): \$75.00
  - **Junior Division (U12)** \$85.00

### **Additional Pricing Information:**

 $\circ$  \$10.00 discount off for each additional family member in the league (does not have to be in the same division, first child pays full price,  $2^{nd}$  child is \$10 off.)

#### **Payment**

Make checks payable to: Town of Clinton

## Information about the Clinton Youth Softball League:

The Clinton Youth Softball League strives to provide a positive, competitive youth softball experience for each player, parent and coach. We are dedicated to the advancement and long-term player development of each participant by building character, using softball as a tool to teach young athletes in a way that improves their self-confidence and self-esteem, and making players better, more productive community athletes. Our program features skill building, membership in the Wachusett Softball Association with games against teams from surrounding towns, various team building events, and the opportunity to play and learn more about the sport of softball.

# Whether you are an experienced player or new to the sport, our league welcomes all levels of talent.

This season we will be part of the Wachusett Softball Association, playing games against Boylston, Holden, Rutland, Sterling, and West Boylston.

#### **Uniform:**

All those participating in the league will receive a jersey and a visor. All leagues except for instructional will receive a pair of socks matching their uniform color. **It is the responsibility of each player to purchase a pair of softball pants. These pants need to be black.** Parents are responsible for purchasing needed softball equipment (cleats, glove, etc.)

#### **Practices and Games:**

Practices will begin at the end of March/beginning of April with opening day at the end of April. The season will conclude around the second week in June (unless we have multiple rainouts throughout the season).

Practices days and times will be determined by individual coaches, but in the beginning of the season teams can expect 2-3 practices per week and as the season progresses this may reduce and be replaced with games. Instructional players will practice 1 time per week with games throughout the season.

Generally, the game schedule is as follows (exact days subject to change):

- Instructional (U8): Clinic style practices (Friday evenings) with 6-8 games throughout the season
- Minors (U10): 2 games per week 1-2 practices per week
- Juniors (U12): 2-3 games per week, two on weeknights plus some weekend games, 1-2 practices per week

# **Team Assignment:**

## \*\*Please note players may not end up on the same team they were on last year.

Teams and coaching assignments will be determined in March. Head coaches will have their child assigned to their team. Assistant coaches will be assigned after the draft and will be based around the team their child is assigned to.

To accommodate busy family schedules, all siblings will be placed on the same team within the same division unless otherwise noted. If siblings have different last names or addresses, please make a note of this. Children of coaches will be on the same team as their parent. All other players will be drafted by the coaches so talent is spread out equally among the division.

U10 and U12 players will be subject to an evaluation/try-out to determine their skill level. Players will be assigned to teams in a draft fashion after the evaluations. Team assignment requests cannot be guaranteed. Players will not receive a refund if they withdraw from the league after the teams are announcements.

### Petitioning to a Higher Division:

- If a parent wishes to petition that their play up a division they must the Clinton Parks and Recreation office. That player must attend evaluations at the higher level and be competitive with the players at that level based on the results of the coaches evaluations completed that night.
- Availability of roster spots for higher divisions will be determined on registration numbers. Players will only be able to move up a division if there are roster spots available.
  - o The league will not bump a player from their age division for a player who wishes to play up a division.
