Fuller Field Facilities Updates – Brian Farragher

Water Main Project – Completed

Status of Feasibility Study – no new information, Brian is meeting with Phil Duffy to determine best approach. Need suggested dates from Brian Farragher and Phil Duffy.

Public Comment:

Resident Mr. Gregory Barros – 200B Ridgefield Circle, Clinton, MA – Spokesperson for Acme Productions Hoping for individuals and collectives optimize our assets in Clinton through video, theatrical and film. Diamond mind and acres of diamonds – in 2023 bring back exhibition vintage baseball to Fuller Field and in 2024 to start a league and field a Clinton Team. Coed teams as well. Maybe have some sort of exhibit and make Clinton a tourist destination for all things baseball. In 2025 placing Fuller Field in the nation register of historic sites. Possibly Clinton housing a museum of baseball parks. Revenue enhancement through games and royalty fees. Possible Worcester County Hall of Fame. Prestige of Clinton as a baseball town. See attached presentation notes (provided by Mr. Barros). Fuller Field Commission will support Mr. Barros in anyway. Laura Taylor will put Mr. Barros in touch with Mr. Ingano (Historical Society)

Meeting Adjourned: 6:57pm – Motion made by Commissioner Agnitti and seconded by Commissioner Notaro – **All in Favor – Motion Approved**
