Fuller Field Facilities Updates – Brian Farragher

Water Main Project – accepted bid from Hydrotech – starting work – waiting for the above ground box – 6-8 lead time. Has reached out to see if will start digging. If they start, they will leave field in a safe state for games/practices. Approved – quote \$27K – Town Warrant approved for \$25K, Facilities will cover the remaining \$2K from their budget. John asked about Field Schedules to make sure work happens around Fuller Field activities. Put another chain/lock on area. Once Brian gets a start date he will notify Mackenzie.

Status of Feasibility Study – no new information, Brian is meeting with Phil Duffy to determine best approach. Should have an update for the October meeting.
